

**SAVVAS**

IS YOUR INSTRUCTION  
ALIGNED TO THE  
SCIENCE OF READING?

## Tips to Ensure Your Instruction Is Explicit

Articulate the skill  
you're teaching in  
student-friendly  
language.

Tell students why they're  
learning the skill and  
how it will help them be  
better readers.

Model good  
reading and show  
how to apply the  
skills you teach.

Scaffold lessons  
in the gradual  
release method –  
I do. We do. You do.

Check for understanding and provide feedback.
